

Troop 43, Scouts BSA, is holding an open house!

ICE CREAM SOCIAL

Troop 43 is recruiting!

Please join us for ice cream on Thursday, September 8 & Thursday, September 15, 7:30pm in Saint Luke's Parish Hall. All are welcome!

In Scouting, youth learn through the experiences of camping, hiking, building projects and community service. They are encouraged and complimented for their efforts and gain a sense of value and belonging. Scouting also teaches self-reliance, moral values, and respect for their environment and others. Troop 43 is open to all young men between the ages of 11 and 17. Young ladies are also invited to stop by and we can explore the possibility of starting a troop for girls.

Troop 43 is proudly sponsored by Saint Luke's Episcopal Church
